Director of K-8 Curriculum, Instruction, Federal Programs

Dear Parent/Guardian,

With the 2019-2020 school year well under way, I wanted to take a moment to provide some important information about this year's state tests.

Students in grades 3-8 and 11<sup>th</sup> take a summative test in English Language Arts and math each Spring. The tests move away from previous fill-in-the bubble exams that focused on rote memorization, to a format which asks students to explain their reasoning and write out their answers. These tests measure more complex, real-world skills such as critical-thinking, writing, and problem solving so that your child can successfully transition from grade to grade and be prepared for his or her next steps after high school.

We know that an end-of-the-year test cannot possibly tell us *everything* about your child's academic progress. However, the results do act as a snapshot of your child's strengths and areas for improvement and can be used as a way to ensure he or she is getting the supports he or she needs. Additionally, the tests help Three Rivers School District's efforts to equitably distribute resources and support student learning. When fewer students take the test, we are left with an incomplete and inaccurate picture of how our students are performing, and this limits our ability to address issues, better serve students, and continue to improve our educational system.

Three Rivers provides a form that allows you to opt your child out of testing for the 2019-2020 school year. The form is posted online on our website [www.threerivers.k12.or.us](http://www.threerivers.k12.or.us). Should you wish to opt your child out, please submit the form to your student's school front office by January 17<sup>th</sup>. You can read more about your rights to opt-out here: <http://tinyurl.com/OR-HB2655>

In Three Rivers School District, we are deeply committed to ensuring each and every student in our schools has the supports he or she needs to achieve at high levels and graduate prepared for his or her next steps. Our ultimate goal is to make sure that all students are set up to be successful from grade to grade and that will remain the focus of our district throughout the rest of the school year.

If you have general questions or want more information about the end-of-year tests, please visit our website at <https://sites.google.com/threerivers.k12.or.us/trsd/departments/curriculum-and-instruction/statewide-assessment?scrllybrkr=b09462fd>. I encourage you to reach out to your child's teacher(s) with any questions you may have about your student's progress.

Sincerely,

**Jessica Durrant**

Estimado padre/ tutor,

Con el año escolar 2019-2020 en marcha, quería tomarme un momento para proporcionar información importante sobre las pruebas estatales de este año.

Los estudiantes en los grados 3-8 y 11 toman una prueba sumativa en artes del lenguaje inglés y matemáticas cada primavera. Las pruebas se alejan de los anteriores exámenes que se centraron en la memorización de memoria, a un formato que les pide a los estudiantes que expliquen su razonamiento y escriban sus respuestas. Estas pruebas miden habilidades más complejas del mundo real, como el pensamiento crítico, la escritura y la resolución de problemas, para que su hijo pueda realizar una transición exitosa de un grado a otro y estar preparado para sus próximos pasos después de la escuela secundaria.

Sabemos que una prueba de fin de año no puede decirnos todo sobre el progreso académico de su hijo. Sin embargo, los resultados actúan como una instantánea de las fortalezas y áreas de mejora de su hijo y pueden usarse como una forma de asegurarse de que él o ella reciban los apoyos que necesita. Además, las pruebas ayudan a los esfuerzos del Distrito Escolar de Three Rivers para distribuir equitativamente los recursos y apoyar el aprendizaje de los estudiantes. Cuando menos estudiantes toman el examen, nos queda una imagen incompleta e inexacta de cómo se están desempeñando nuestros estudiantes, y esto limita nuestra capacidad de abordar problemas, servir mejor a los estudiantes y continuar mejorando nuestro sistema educativo.

Three Rivers proporciona un formulario que le permite optar por que su hijo no participe en las pruebas para el año escolar 2019-2020. El formulario se publica en línea en nuestro sitio web [www.threerivers.k12.or.us](http://www.threerivers.k12.or.us) Si desea excluir a su hijo, envíe el formulario a la oficina de la escuela de su hijo antes del 17 de enero. Puede leer más sobre sus derechos de exclusión aquí: <http://tinyurl.com/OR-HB2655>

En el Distrito Escolar de Three Rivers, estamos profundamente comprometidos a garantizar que todos y cada uno de los estudiantes de nuestras escuelas tengan el apoyo que necesitan para alcanzar altos niveles y graduarse preparados para sus próximos pasos. Nuestro objetivo final es asegurarnos de que todos los estudiantes estén preparados para tener éxito de grado a grado y que seguirá siendo el enfoque de nuestro distrito durante el resto del año escolar

Si tiene preguntas generales o quiere más información sobre las pruebas de fin de año, visite nuestro sitio web en <https://sites.google.com/threerivers.k12.or.us/trsd/departments/curriculum-and-instruction/statewide-assessment?scribrkr=b09462fd> . Le animo a comunicarse con los maestros de su hijo con cualquier pregunta que pueda tener sobre el progreso de su hijo.

Sinceramente,

## 2019-20 30-Day Notice for Statewide Tests

### ALL STUDENTS GRADUATE PREPARED

In 2010, Oregon adopted higher K-12 standards in English Language Arts and Math to ensure all students move from grade to grade with the academic knowledge and skills necessary for success beyond high school. Because we raised the bar for what we expect students to know and be able to do, we have also changed the way we measure student progress through our state tests, known as Smarter Balanced.

#### How much time do the tests take?

The tests are not timed, so your child can take as long as he or she needs to fully demonstrate what he or she knows and can do. With our current exams, your child only tests once each year, unlike our previous exams which many students took multiple times. Learn more about the estimated time your child may take to complete the tests on page 33 of Oregon's Test Administration Manual:

<https://tinyurl.com/TestAdmManual>

#### What do the results mean and where do I get my child's results?

Test results identify your child's strengths and areas for improvement in English Language Arts and Math. Each subject will be broken into categories and will show how well your child performed in each area. The tests measure student learning on a continuous scale. The state has set four achievement levels along this scale that generally describe where students are. Your school will share your child's scores with you at the beginning of the next school year to help support your child's success as he or she moves from grade to grade.

#### Why does participation matter?

While no single test can give a complete picture of your child's progress, having your child take the statewide tests provides educators and administrators with information about what educational approaches are working and where additional resources are needed. Your child's participation is important to ensure schools and districts receive the targeted resources they need to help all students succeed.

#### When will my child take the test?

Your child will be tested once after he or she has completed at least two-thirds of the school year. Your child's school will determine the specific dates your child takes the tests within the statewide testing window above.

### OREGON'S STATE TESTS:

- **Challenge your child to think critically** and apply his or her knowledge to real-world problems
- **Go beyond multiple choice** and ask your child to explain his or her answers
- **Act as a snapshot of your child's progress** and may be considered along with other pieces of information to determine your child's academic success
- **Help identify schools and districts** that need additional supports to ensure more students are meeting higher standards

## DESCRIPTION OF RIGHTS

House Bill 2655 permits parents and adult students\* to annually opt-out of Oregon's statewide summative tests in English Language Arts and Math by submitting this form to the school the student attends. The school shall provide any student who is exempted from a state test with supervised study time while other students are testing. Visit this link to learn more about House Bill 2655: <http://tinyurl.com/OR-HB2655>.

**To opt-out of state tests, this section must be completed by the parent/guardian or adult student:**

Student's Legal Last Name \_\_\_\_\_

Student's Legal First Name \_\_\_\_\_

Student's Enrolled Grade \_\_\_\_\_

Student's School \_\_\_\_\_

**Please indicate the state test(s) you are opting out of for the 2019-20 school year:**

	English Language Arts
	Mathematics

To best support school district planning, you are encouraged to submit this form **to your child's school** by January 1, 2020. For students who enroll after the statewide testing window begins on January 7, 2020, you are encouraged to submit the form within 2 weeks of enrollment. This form is only valid for the 2019-20 school year. Parents and adult students are required to submit an opt-out form annually should they wish to be exempted from statewide summative tests.

**I understand that by signing this form I am opting my child out of testing.**
